## **autoline sandspreaders Warranty terms**

1. Any warranty repairs must be approved by Autoline AS before commissioning.
2. The warranty period is 2 (two) years from the delivery date.
3. The warranty covers manufacturing and material defects.
4. The prerequisite for a guarantee is completed guarantee form and a written description of reason for warranty claims completed by dealer.
5. Installation must have been carried out at an authorized workshop in accordance with our mounting instructions.
6. Use of the product must have been in accordance with our user manual.
7. The warranty does not cover consumables such as relay and fuses.
8. The warranty does not cover damage resulting from load or improper use.
9. The warranty does not cover the labor costs performed by anyone other than our approved workshops.
10. Consequential damages and financial expenses or loss of income due to defects in the product is not covered.
11. Malfunction due to incorrect installation is not covered by warranty.

In the event of a question about warranty, this must be addressed to the supplier via the dealer with a written copy of the completed warranty form where all information is entered.
